Takara Brewery has Sake making roots since the 1800's or the Edo era, more commonly known as the Feudal Samurai period.

Gokai Karakuchi

Gokai Karakuchi – Literally means extremely dry and traditionally the favourite amongst the Samurai Warriors. Pairs superbly with strong flavoured food. Best appreciated in room temperature as exactly in the same manner as warriors would have done 200 years ago preparing for battle. Ask your server to half and half where you can enjoy half carafe warm and another carafe cold to appreciate the modern and ancient methods.
